- C. PROOF OF COVERED LOSS: Written Proof of Covered Loss, acceptable to **Us**, must be sent within 90 days of the **Covered Loss**. - D. BENEFIT SPECIFIC DETAILS: Additional details on benefit-specific requirements are found in Section III – Benefits.

SECTION IX - PAYMENT OF CLAIMS

- A. TIME OF PAYMENT: **We** will pay claims for all **Covered Losses**, other than **Covered Losses** for which this **Policy** provides any periodic payment, as soon as practicable upon receipt of written proof of loss that is acceptable to **Us**. Unless an optional periodic payment is stated or chosen, any **Covered Loss** to be paid in periodic payments will be paid at the end of each four-week period. The unpaid balance, that remains when **Our** liability ends, will then be paid when **We** receive the Proof of Covered Loss that is acceptable to **Us**.
- B. WHO **WE** WILL PAY:
 - 1. LOSS OF LIFE OF AN **INSURED**: **Covered Losses** resulting from the **Insured's** death are paid to the named beneficiary at the time of death. If there is no beneficiary named or the named beneficiary predeceases or dies at the same time as the **Insured**, **We** will pay the benefit to the **Insured's** estate. If any **Insured** is a minor or is not competent to give a valid release for the payment, the payment will be made to his/her parent, guardian, or other person actually supporting the **Insured**.
 - 2. ALL OTHER CLAIMS: Benefits are to be paid to the **Insured**. He or she may direct in writing that all, or part of the Emergency Medical and Dental Expense Benefit and Emergency Evacuation and Repatriation Benefit, if applicable, will be paid directly to the party who furnished the service. The direction may be changed by the **Insured** at any time up to the filing of the Proof of Covered Loss.
 - 3. If a **Foreign National** is entitled to benefits for a **Covered Loss** and **We** are unable to make payment directly to him or her because of legal restrictions in the country or jurisdiction where such **Foreign National** is located, **We** will either: (i) pay the benefits to a bank account owned by the **Foreign National** in the United States of America; or (ii) if no such bank account is established or maintained, **We** will pay the benefits to this **Insured** on behalf of the **Foreign National**.

It will then be the responsibility of this **Insured** to remit the benefit to such **Foreign National**. Payment of the benefit to this **Insured** will release **Us** from any further liability to the **Foreign National**. If this **Insured** does not remit the payment to the **Foreign National**, this **Insured** will indemnify **Us** and hold **Us** harmless against any and all liability incurred by **Us** including, but not limited to, interest, penalties, and attorneys' fees in connection with, arising or resulting from such failure to remit payment. This **Insured** will not be considered the beneficiary under this **Policy** if payment is made to the **Insured** in accordance with this provision.
 - 4. Any payment **We** make will fully discharge **Us** to the extent of the payment.

SECTION X - GENERAL POLICY CONDITIONS

- A. BENEFICIARIES: The **Insured** first shown in Item 1. of the Declarations has the sole right to name a beneficiary. The beneficiary has no interest in this **Policy** other than to receive certain payments. Unless an irrevocable beneficiary is named, The **Insured** may change the beneficiary at any time unless he or she has assigned the

interest in this **Policy**. In such case, the person to whom he or she has assigned the interest in this **Policy** may have the right to change the beneficiary. Consent to a change by a prior beneficiary is not needed. Any beneficiary designation must be in writing on a form acceptable to **Us**.

- B. **CHANGE OR WAIVER:** A change or waiver of any term or condition of this **Policy** must be issued by **Us** in writing and signed by one of **Our** executive officers. No agent has authority to change or waive **Policy** provisions, terms or conditions. A failure to exercise any of **Our** rights under this **Policy** will not be deemed as a waiver of such rights in the same or future situations.
- C. **CLERICAL ERROR:** A clerical error or omission will not increase or continue an **Insured's** coverage, that otherwise would not be in force. If an **Insured** applies for insurance for which he or she is not eligible, **We** will only be liable for any premium paid to **Us**.
- D. **CONFORMITY WITH STATUTE:** Terms of this **Policy** that conflict with the laws of the state where it is delivered are amended to conform to such laws.
- E. **ENTIRE CONTRACT:** This Individual Travel Insurance Policy, the Declarations, and any rider, endorsement, or amendment attached thereto, represent the entire insurance contract.
- F. **SUIT AGAINST US:** No action on this **Policy** may be brought until 60 days after written Proof of Covered Loss has been sent to **Us**. Any action must commence within three years, (five years in Kansas and Tennessee; and six years in South Carolina and Wisconsin) of the date the written Proof of Covered Loss was required to be submitted. If the law of the state where the **Insured** lives makes such limit void, then the action must begin within the shortest time period permitted by law. In those states where binding arbitration is allowed, binding arbitration will supersede this provision.
- G. **PHYSICAL EXAMINATION AND AUTOPSY:** **We** have the right to examine an **Insured** when and as often as **We** may reasonably request while the claim is pending. Such examination will be at **Our** expense. **We** can have an autopsy performed unless forbidden by law.
- H. **ARBITRATION:** Any contest to a claim denial under this **Policy** will be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction. The arbitration will occur at the offices of the American Arbitration Association nearest to the **Insured**. The arbitrator(s) will not award consequential or punitive damages in any arbitration under this section. This provision does not apply if the **Insured** is a resident of a state where the law does not allow binding arbitration in an insurance **Policy**, but only if this **Policy** is subject to its laws. In such a case, binding arbitration does not apply. This provision bars the institution of a lawsuit by the **Insured**.
- I. **MISSTATEMENT OF AGE:** If the age of the **Insured** has been misstated, all amounts payable under this **Policy** shall be such as the premium paid would have purchased at the correct age.
- J. **SUBROGATION:** **We** have the right to recover from any third party all payments that **We** have made to the **Insured** or on behalf of the **Insured's Spouse** or **Domestic Partner**, child, heirs, guardians or executors or will be obligated to pay in the future to the **Insured**, from any third party. If the **Insured** recovers from any third party, **We** will be reimbursed first from such recovery to the extent of **Our** payments to or on behalf of the **Insured**. The **Insured** agrees to assist **Us** in preserving its rights against any third party, including but not limited to, signing subrogation forms supplied by **Us**. If **We** seek to recover any amount paid by **Us**, **We** are entitled to recovery of those amounts before the **Insured** is entitled to share in any amount so recovered by **Us**.
- K. **COORDINATION OF BENEFITS:** This provision applies when the **Insured** is also covered under an **In Force Policy**. The following rules determine if this **Policy** pays before or after those of an **In Force Policy**. The benefits of this **Policy**, subject to any Maximum Coverage Amounts or other terms and conditions of this **Policy**:
 - 1. will not be reduced if this **Policy** pays first; and
 - 2. may be reduced if this **Policy** pays excess of an **In Force Policy**.

Our Policy determines the order of benefits to be paid using the first of the following rules that applies:

- a. Coordination of Benefits Provision: If coverage is provided under more than one **In Force Policy**, this **Policy(ies)** that do not provide a Coordination of Benefits Provision will pay first.
- b. Active/inactive: The plan that covers the **Insured** as active will pay before a plan that covers the **Insured** as inactive or retired.
- c. Active/dependent: The plan that covers the **Insured** as active will pay before a plan that covers the **Insured** as a dependent.
- d. Dependent child(ren): The following rules apply if a dependent child is covered under multiple policies, including this **Policy**:
 - (1) If the dependent child is covered under multiple policies and his/her parents are not separated or divorced, the following rules apply:
 - (i) the policy covering the parent whose birth month is earlier in the year will pay first; or
 - (ii) if both parents have the same birth month, the policy covering the parent longer will pay first.
 - (2) If the dependent child is covered under multiple policies and his/her parents are separated or divorced, the following rules apply:
 - (i) the policy covering the parent with full custody will pay first; then
 - (ii) the policy covering the **Spouse** of the parent with custody; finally
 - (iii) the policy covering the parent with no custody.
- e. Length of Coverage: The plan that will pay first will be determined by the length of time each plan has been in effect with the longer term in force plan paying first.

In order to determine how this provision should apply, **We** have the right to decide which facts **We** need and the right to obtain those facts from or give them to any other organization or person. **We** do not need to advise or obtain the consent of the **Insured**. Each **Insured** claiming benefits under this **Policy** must provide **Us** any fact **We** need to evaluate and to pay the claim.

A payment made under an **In Force Policy** may include an amount that should have been paid by **Us**. If it does, **We** may pay that amount to the organization that made that payment and that amount will then be treated as though it was a benefit paid under this **Policy**. This includes benefits paid (i) in the form of services, or (ii) as the reasonable cash value of those benefits provided in the form of services, or both (i) and (ii).

If **We** pay benefits that exceed **Our** obligation under this provision, **We** may recover the excess payments from any person or organization to whom benefits were paid.

- L. VALUATION: All premiums, limits, **Deductibles**, and other amounts under this **Policy** are expressed and payable in the currency of the United States unless otherwise stated. If judgment is rendered, settlement is denominated or another element of loss under this **Policy** is stated in a currency other than United States dollars, payment under this **Policy** shall be made in United States dollars at the rate of exchange on the date the final judgment is reached or the amount of the settlement is agreed upon.
- M. HEADINGS: The titles and headings to the various sections, subsections and endorsements of this **Policy**, are included solely for ease of reference and do not in any way limit, expand or otherwise affect the provisions or existence of such sections, subsections or endorsements.

**IMPORTANT NOTICE ABOUT THE POLICY OF INSURANCE
FOR WHICH YOU HAVE APPLIED
THIS DOCUMENT AFFECTS YOUR LEGAL RIGHTS**

READ THE FOLLOWING INFORMATION CAREFULLY.

1. The policy for which you have applied includes a binding arbitration agreement.
2. The arbitration agreement requires that any disagreement related to this policy must be resolved by arbitration and not in a court of law.
3. The results of the arbitration are final and binding on you and the insurance company.
4. In an arbitration, an arbitrator, who is an independent, neutral party, gives a decision after hearing the positions of the parties.
5. When you accept this insurance policy you agree to resolve any disagreement related to the policy by binding arbitration instead of a trial in court including a trial by jury.
6. Arbitration takes the place of resolving disputes by a judge and jury and the decision of the arbitrator cannot be reviewed in court by a judge and jury.

ACKNOWLEDGEMENT OF ARBITRATION AGREEMENT

I have read this statement. I understand that I am voluntarily surrendering my right to have any disagreement between the insurance company and myself resolved in court. This means I am waiving my right to a trial by jury.

I understand that upon receipt of the policy I should read the arbitration clause contained in the policy and that I have the right to reject this policy within three (3) days of the date of delivery if I do not want to accept the requirement for arbitration.

I understand that this same type of insurance may be available through an insurance company that does not require that policy related disagreements be resolved by binding arbitration.
